

LRNG 192- A Concept-Based Approach to Integrative Learning

Description

The A Concept-Based Approach to Integrative Learning workshop is designed to explore integrative learning within and across disciplines using concept-based teaching strategies. The purpose of this offering is to stimulate conversations regarding best practices for assisting students in making connections among concepts across disciplines.

Course Offering

Check the Center for Teaching Excellence website for details on when this course is being offered. This course is usually offered in the fall/spring.

Outcomes

Upon successful completion of the **A Concept-Based Approach to Integrative Learning** workshop, participants should be able to:

1. Describe integrative learning in your discipline.
2. Discuss the usefulness of concept-based teaching strategies to support integrative learning.
3. Develop one concept-based learning activity to implement this semester.
4. Develop an in-class assessment tool to evaluate the effectiveness of the concept-based learning activity.

Completion Criteria

In order to receive a micro badge for the course, the following deliverables must be completed:

1. Satisfactory completion of the evaluation/discussions in the D2L course shell with a score of 70% or higher.

Microbadge

You can apply for the course badge by visiting the GGC Academic Commons, located at <http://commons.ggc.edu>. Once there, you can click on Badge Library menu item, and locate the LRGN 192 badge using the filters on the left of the page or the actual badge listings. Once you have located the badge and reviewed the criteria, you can click on the “Apply for Badge” button.

NOTE: Verification and badge application processing time will take 24-48 hours. Once the badge is awarded you can verify receipt by logging into the Academic Commons. Once logged in, you will receive a popup notice indicating a badge has been awarded.

Integrative Learning Track

Completion of this course fulfills the partial requirements for the Integrative Learning Track. For full details on the track requirements, please visit the CTE web site at <http://cte.ggc.edu/integrative-learning>
