TECH 143 - Building an e-Portfolio

Description

The Building an e-Portfolio workshop is designed to be an introductory workshop that will help you develop the competencies necessary for creating an e-portfolio to document your teaching.

Course Offering

Check the Center for Teaching Excellence for specific dates when this course is offered. Usually offered in the fall.

Outcomes

Upon successful completion of Building an e-Portfolio workshop, participants should be able to:

1. Discuss the benefits of creating a digital portfolio.
2. Discuss the difference between summative and formative teaching portfolios.
3. Discuss the different platforms and tools that could be used to develop a digital portfolio.
4. Develop a plan for using one (or more) of these tools to create their own digital teaching portfolio.

Completion Criteria

In order to receive a micro badge for the course, the following deliverables must be successfully completed:

1. Attendance at the F2F workshop
2. Completion of the worksheet for creating a digital teaching portfolio

v1.1 Revised - 11/8/2016

Micro badge

The badge for this course will be awarded after successful completion of the course. If you do not successfully complete the requirements for the course in the time allotted during New Faculty Orientation, you may do so at a later time. You can then apply for the course badge by visiting the GGC Academic Commons, located at http://commons.ggc.edu. Once there, you can click on Badge Library menu item, and locate the **TECH 143** badge using the filters on the left of the page or the actual badge listings. Once you have located the badge and reviewed the criteria, you can click on the "Apply for Badge" button.

NOTE: Verification and badge application processing time will take 24-48 hours. Once the badge is awarded you can verify receipt by logging into the Academic Commons. Once logged in, you will receive a popup notice indicating a badge has been awarded.

Digital Learning Track

Completion of this course fulfills the partial requirements for the Digital Learning Track. For full details on the track requirements, please visit the CTE web site at http://cte.ggc.edu.
